REASONS FOR ALLOWANCE

The following is an Examiner's Statement of Reasons for Allowance:

Any comments considered necessary by applicant must be submitted no later than the Payment of the Issue Fee and, to avoid processing delays, should preferably accompany the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".

The references fail to anticipate or suggest any reasons or motivations for one of ordinary skill in the art to employ an effective amount of sodium magnesium silicate to slow the decomposition of a cosmetic composition containing a skin-whitening agent.

Thus, the processes as claimed are not considered predictable in view of the references of record and the instantly claimed inventions are unobvious and patentable over the references of record.
